Sounds good-let me know when you head over.

9th Floor in 290. You can go through the main door and cut directly through the women's bathroom instead of walking completely around.

Yes that shouldn't be a problem at all. Thank you both. If that changes let me know. If you can coordinate with [REDACTED] to pick up the drive and laptop from her, she will have it ready tomorrow.

I'll talk with our AUSA [REDACTED] and get more details for you.

Thanks to you both!

Hi [REDACTED] and [REDACTED],

I'm scheduled to work an SOG shift in Brooklyn that morning, but if my team leader is fine with me taking the first eye on the target then leave to join [REDACTED] at MDC hopefully when the meet begins, would that be ok? Our set is only 4 miles away from MDC.

Thanks,

Hey [REDACTED] and [REDACTED],

Sorry for the last minute notice and the unfortunate changing of days/week for this project. MDC has give us the go ahead to show the discovery to Maxwell on Friday. Are either/both of you available this Friday to show the discovery from 8am-3pm Friday? If you could let me know either way so I know if I need to get further assistance that would be great.

I've cc'd [REDACTED], who has been working this case as well since I am presently out of the country.

Please let me know as soon as you're able. If you're not available, we completely understand so no worries. Just let us know.

Thank you,

[REDACTED]

I'm good any day if you let me know by COB Thursday. If you won't know that's fine I'll figure something out or find you a replacement.

Thanks!

So sorry. At this point I don't think so. The AUSA is still waiting for MDC to ok it.
If MDC gives the green light for next week, would the both of you be available? I understand if you are not and understand that not having something set makes it difficult.

Hey [REDACTED] and [REDACTED],

Thanks for being willing to help out. I am still waiting on confirmation on which day defense and MDC are able to schedule. Hopefully will have a better idea today.

All-

Squad C-20 is requesting assistance from two agents for the Maxwell investigation. They are looking for 2 volunteers to help out one day next week, possibly Wednesday or Thursday. They have to show some discovery to Maxwell and her defense team at MDC. It is digital evidence so a laptop and hard drive would have to be shown to them at MDC. It could potentially be several hours waiting while Maxwell and her team review the materials. Please let me know if you are able to assist

Thanks,

[REDACTED]
