Subject: Gigante Vinnie the Chin and Louis - Mafia Ghislaine Maxwell StuyTown lawyer

With the developments of yesterday and the recent week, including below listed, please my need of help remains urgent.

Please I need the motel stay extended and / or to be moved to a new motel immediately.

Ghislaine Maxwell's hired power lawyer is my Stuyvesant Town Peter Cooper Village "StuyTown" neighbor who I reported in 2019 during the incarceration of Jeffrey Epstein - when I reported the illegal use of my identity in a tax fraud scheme out of [REDACTED]).

Members in Maxwell-Epstein's tax mitigation fraud criminal enterprise decades long attempt to incarcerate me for their crimes - all while discrediting, vilifying me that is causing me extreme stress while keeping my safety at risk by members in the tax fraud scheme including Louis Gigante and his mafia family.

The planted evidence last week ties with the Gigante brothers and those in business with them who want to keep their illegal money by incarcerating me for their tax fraud crimes.

Please can we immediately extend the motel stay where I am until it is determined where I can stay long term until the SDNY shares their evidence they need to keep under wraps at the moment.

For my safety and health I must remove myself from this matter which is now moving in the right direction with the arrest and prosecution of Ghislaine Maxwell and all other related arrests to follow. These criminals want their illegal money to remain tied to me. The planted evidence last week demonstrates that clearly and that I remain at risk for further planted evidence, stolen evidence, attacks on liberty.

Please immediately extend the stay for another week at this motel and let me know if moving rooms here or moving us to a new motel is safer - and what more I can do to remove myself from this matter during the case building / prosecution.

Thank you
