Caller named [REDACTED] from Maine

Caller says she's in the middle of the Jeffrey Epstein case and saw Maxwell made a plea deal and mentions the attorney general. Caller says she is stuck and wants her situation added on because it leaves her unsafe. Caller says she's still being isolated and trafficked and there's more to it. Caller says she wants to give her information and that she is a veteran and her daughter was trafficked. Very messy and confusing phone call.
