Hello-

Are the instructions the same for Android?

Thanks,

████████████

████,

Please follow the attached documentation "**RSA SecurID for iOS**" to activate your token and set a 6-8 digit personal PIN.

> Relativity Instance URL: https://d1pe.nss.pae.com/Relativity
> Username: ████████████
> Please use **Import a Software Token** steps from attached document to import this token URL using the RSA mobile app:
>
> com.rsa.securid://ctf?
ctfData=████████████████████████████████

Once a PIN has been set, use the following for all future logins:

> Relativity Instance URL: Same as above
> Username: Same as above
> Password: 6-8 Digit Personal PIN + RSA Token

If there are any issues regarding your account please contact PAE Help Desk at ████████████.
