Subject: [EXTERNAL EMAIL] - Maxwell trial testimony

Hi [REDACTED]

Sorry this took me so long to get to—things seem to keep popping up this weekend! Attached is a draft chart to serve as an aid during your testimony. Would you please check it to confirm its accuracy?

You'll see that I'd like to introduce two more GX through you—GX 342 and GX 343. I've attached both to this email. Would you please update the excel spreadsheet you previously sent with info for those two exhibits? And would you please fill in the relevant info for these exhibits on the aid chart I've attached as you go through to check it?

Finally, would you please send me a screenshot of the metadata for GX-332 from where you and Mandy copied it onto the FBI computer (not Grifeye)?

I'll check back in at the end of the trial day tomorrow.

Thanks so much,
[REDACTED]
