Hi [REDACTED]

I attached the updated excel sheet with only the exhibits. I also updated the Chart with the evidence item number and CD name to the additional 2 exhibits.

As a note regarding the excel chart, I changed the number from the Griffey report from 503 to 505 and from 2160 to 2161 to properly reflect the file path with the CD. The prior selected photos were pulled from the "All Photos" folder. They are the same pictures with the same file name.

Let me know if you need anything else,
