Good Evening-

I'm a Tactical Specialist (SOS) interested in the Houston TDY.

- I've been embedded on the Child Exploitation and Human Trafficking Task Force in the New York Field Office since 2016 with extensive experience providing tactical support. I have experience driving all aspects of criminal intelligence collection and analysis targeting human trafficking, child pornography, child prostitution, and child recovery investigations. I've conducted research and analysis to identify and located numerous child prostitution, human trafficking, online child sexual predator, and child pornography subjects and their victims. Due to my diligent work efforts I have been called to testify in high profile cases (i.e., US vs Maxwell (2021); [REDACTED] [REDACTED] which have all resulted in guilty verdicts. I am accustomed to working in fast-paced environments alongside local and state agencies to mitigate threats and have participated in several searches and operations.

Hi, [REDACTED]

I hope you are doing well and enjoying the end of summer! Thanks again for all your help with logistics of the Dallas conference. [REDACTED] and I got really good feedback and it was a great experience!

On a different note , the SOS on c20, [REDACTED] copied here, is very interested in the Houston TDY. She is a great asset to any squad and highly regarded! I was wondering if she could connect with you regarding this application process ? It says respond to the canvass but is there an application for her to fill out?

Thank you so much for your help!

Best,
