Importance: Normal

Eric,

Nothing material to report.

Last Week's Activities:

Epstein ([REDACTED])

1. Document review

This Week's Anticipated Activities:

Epstein ([REDACTED])

1. Document review

[REDACTED]

1. Engagement team status call

On a different note, thru trial and error (mostly error), I have come up with a process to fairly quickly convert 500 tif files into one PDF file using Adobe Professional. Previously, I was capped at 350 tif files which took a while to process.

FYI - Coming on Sunday worked well.

Best

Mark
