Yesterday, I was out of the office. Please burn the ZIP file to a DVD. Once the DVD is ready, call me at 212-384-8531 and I will walk over to your office to pick it up.

Best

Hi [Redacted]

I hope you're doing well! AUSAs [Redacted] have received the financial report appendices from Maxwell's defense team. The materials were provided in a 3GB zip folder, which unfortunately is too large to email. Depending on what works best for you and your work set-up, I believe we have a few options to get these materials to you. I can forward you the original email from Maxwell's defense team that contained a link to view and download the materials, I can upload the materials to USAFx for you to view, or I can have our IT department copy the materials onto a hard drive. Please let me know what you prefer, and I will get these materials to you as soon as I can.

Thanks very much!
