Thanks so much. I've created an account for you and have added you to a shared folder called "2021.08.03 JPMC Subpoena Return (Maxwell)" which contains the production and cover letter. Let me know if you have any trouble accessing USAfx or the production.

Thanks,

Hi [REDACTED]

Hope all is well with you. [REDACTED] asked me to provide you with a subpoena return received yesterday from JPMC in the US v. Maxwell case. Can I share them with you via USAfx, our file sharing site? I don't see your email as being registered with an account, so I'd just need your cell number to make you an account (you receive a temporary password via text the first time you log in). If USAfx isn't doable, I should be able to burn the materials to a disc or small hard drive for you. Let me know your preference when you can, thanks!

Best,
