I have not seen anything in writing from OGC. I believe Brandon was coordinating with Sherry to demo the SharePoint to Sentinel upload so that we could obtain OGC approval.

Brandon, correct me if I'm mistaken.

Thanks,  
Teresa.

Teresa/Brandon,

Do we have an email where OGC provided concurrence on the disposition of the working documents since the official record is now stored in Sentinel?

If yes, please forward to IMD FO.

If we do not have it in writing, we will need to work with OGC to obtain the concurrence in writing.

Thank you in advance for your prompt handling of this matter.

Boss,

Did you ever receive the email you were looking for that provided OGC concurrence on the disposition of the working documents since the official record is now stored in Sentinel?
