Team--to get ahead of this inevitable data call, please assign for action Monday am with a COB Monday deadline.

We'll need a RIDS inventory of what we have on these five subjects in the below categories:

- Vault posts
- Preprocessed
- Requests in progress
- UAP state of play
- Any open litigations and status of each (still processing/processing complete and waiting disposition by Courts).

Thx,

Good afternoon,

We are in receipt of **five** letters from Chairman Comer and Chairwoman Luna requesting briefings on the declassification process of documents regarding various FBI equities and to view the relevant documents.

OCA and OCA's OGC would like to discuss the attached five letters. Please provide a few dates and times that IMD would be available to chat with OCA.

Thx
