Subject: [EXTERNAL EMAIL] - Re: Address

Hi Sara,

My home address is: 16707 Cabretta Ct. Moseley, VA 23120

I just realized that I never sent you my Barton Associates contract. I have attached it to this email. I didn't have a specific contract for each assignment I was given, but I signed a document within DocuSign for individual assignments (such as my work with Expansion Media and Yellow Media). I have saved those docuSign links in my email, but when I attempted to access them, the links have expired and I don't have access to any longer. Barton Associates would have the link. But I am attaching my official contract that I signed when I first onboarded with Barton.

Sincerely,  
Teri
