Good morning Ma'am.

Glad we were able to make it work. [REDACTED] did receive an email confirming our colleagues were able to access the photos, so hopefully that will eliminate the need for an additional thumb drive.

Thank you very much, [REDACTED]

I learned just yesterday DOJ was pressing for an immediate release and despite having all the materials previously submitted, they ran into challenges and asked for the photos and the videos again. We got the videos sent and I was hoping they would locate the photo thumb drive - thank you again for all your help.

We'll confirm whether they received the link and if not, we will walk another thumb drive over.

Thank you again,
[REDACTED]

Good evening:

Unfortunately, even if I zip the photos into numerous files, it is still "bigger than the server allows," and would mandate potentially hundreds of emails.

That said, another link was sent to Mr. [REDACTED] and Mr. [REDACTED]. We are hopeful the link will work on their DOJ account now. If it does not, the only viable option is another thumb drive.

Chief of Staff [REDACTED] will coordinate with Operations Director [REDACTED] to determine next steps.

Please let me know if you have any questions when you are reviewing the material.

Thank you.

Thanks [REDACTED]

All - we can provide a second thumb drive tomorrow. In the interim, [REDACTED] let us know if the original thumbdrive is located within ODAG.

Thank you Ma'am:

Below is another link to the files on the SharePoint.

If it doesn't work, the only thing I think it may be is because it is restricted to fbi.gov accounts.

Please let me know if it worked before I reach out to our tech folks.

Thank you and Happy 4th.

Hope all is well. I've copied [REDACTED] from ODAG. They are working Epstein videos and photos today and this evening for release.

Last month, we provided DOJ a thumb drive of the photos from the shared drive but need access beyond the thumbdrive.

Can you please add Joseph to the access list?

Thank you,
