Hope all is well. I've copied [REDACTED] from ODAG. They are working Epstein videos and photos today and this evening for release.

Last month, we provided DOJ a thumb drive of the photos from the shared drive but need access beyond the thumbdrive.

Can you please add Joseph to the access list?

Thank you,

Here are the email associated with getting the photos from NYO to us for the thumb drive.

I hope this helps?

The link below contains two folders. The "US v. Maxwell Publicly Admitted Exhibits" folder contains the non-sealed images/exhibits that have already been released to the public since the Maxwell trial. The "Epstein Jail Photos (From C-19)" contains some images that have already been released to the public. The total size of the folders is 1.43 GB.
