**Narrative**

This is a joint filing by Fidelity Brokerage Services LLC ("FBS"), National Financial Services LLC ("NFS") and Fidelity Investments Institutional Operations Company, Inc. ("FIIOC") on behalf of certain of the Fidelity Group of Funds, affiliated financial institutions that are among the family of companies collectively doing business as "Fidelity Investments."

This suspicious activity report ("SAR") is being filed because Fidelity discovered adverse media associated with a Jeffrey Epstein, an authorized individual on a corporate account established on 4/12/2019. The account relationship has since been terminated, and the assets in the account have since been transferred to Interactive Brokers, Banco Popular, and First Bank, as detailed below.

According to multiple news articles, Jeffrey Epstein was arrested on 07/06/2019 and charged with one count of sex trafficking of minors and one count of conspiracy to engage in sex trafficking of minors. Additional media information identified that in 2008, Jeffrey Epstein was sentenced to 13 months in prison in Florida, which required him to settle with his then-teenage victims and register as a sex offender after agreeing to a plea deal in which he pleaded guilty to charges of soliciting prostitution.
