Also Ideally for the public, they would like it to flow in the natural confines of the start and stops as they did on the record.

[Redacted]

invited you to view a folder

Maxwell recordings. Specifically look at ..007 on the 24th. About 3 minutes long and just abruptly ends. But looks like .008 pick up right where 007 ends.

On the 25th same issue between .005 and .006

Thanks,
Tom
