Videos seemed to be solely downloaded pornographic graphic videos.

Nude images of women were solo

Subject: Notes for 3/26 DAG Meeting

[REDACTED] I couldn't get hold of you tonight, as expected there are urgent follow up questions that need to be answered before tomorrow's early meeting.

For all of the bullet points, is it just images or videos too? If there are videos too, for which bullet points?

For bullet point 3 (Epstein residences), are the females solo or with other people (ex. other females, adults, Epstein, etc.)?

Evidence Item 1B136 contains responsive data obtained through sealed search warrants.

Review Stats

- 23 out of 30 folders comprising of various images and videos from 1B136 have completed review.
- We are at 73% review completion, 62GB out of 85GB.

Review Summary

- The majority of the files are Internet based files, including commercial adult pornography.
- Some images are of nude, age difficult females in sexually suggestive poses, in various locations including a beach, and an apartment.
- Some images are of nude, age difficult females appeared to be located at various residences owned by Jeffrey Epstein.

- Some images contained identifiable CSAM possessed by Epstein, but none of the CSAM was produced by Epstein.
- Some nude images are of an adult former girlfriend of Jeffrey Epstein.
