**Today we accomplished the following**

- 20 out of 30 folders comprising of various images and videos from 1B136 have completed review.
- We added 5 personnel to assist, 3 from HVRA and 2 from LIRA. They should be ready to begin review tomorrow.
- 1B144 is in the process of being reevaluated so we can review the files. As noted yesterday, the files were proprietary and involved possibly re-processing. SA [Redacted] is coordinating with CART to find a solution.
- 1B145 has approximately 1.5 more days to finish being restored.

Respectfully,

Hey [REDACTED]

Please make sure number of folders completed is consistent between the document and email content.

Please also keep 1B tables consistent with line items. One of them has extra boxes.

Thanks again for updating and submitting each day!
