If they are videos and photos. Add and separate the bullet points.

Once those changes are made and the CSAM language, it's ready to roll just as you have it formatted in the body of the email.

Hey all, I just cleaned it up a little. Let me know if the below is accurate to forward. Thanks!

Evidence Item 1B136 contains responsive data obtained through a sealed search warrant.

### **Review Stats**

- 23 out of 30 folders comprising of various images and videos from 1B136 have completed review.
- We are at 73% review completion, 62GB out of 85GB.

### **Review Summary**

- The majority of the files are Internet based files, including commercial adult pornography.
- Some images are of nude, age difficult females in sexually suggestive poses, in various locations including a beach, and an apartment.
- Some images are of nude, age difficult females appeared to be located at various residences owned by Jeffrey Epstein.
- Some images contained CSAM (no evidence of production).
- Some nude images are of an adult former girlfriend of Jeffrey Epstein.
