I just gave you access to the folder, which you can access at the link in the email chain below. As noted below, many of the Government and defense exhibits were sealed by the Court and cannot be disclosed under any circumstances.

Thanks,

Spencer,

All of the exhibits admitted at the Maxwell trial (both Government and defense) – including many sealed exhibits, as notated in the Excel index attached to this email – are available at this USAfx link: [REDACTED] (Note: The exhibits themselves do not indicate whether they are sealed, so they must be reviewed in tandem with the Excel index.)

Please let me know if you need anything else.

Thanks,

Rob

Gentlemen:

We will be asked for all the evidence used at trial.

Where they used under seal?

Thanks.
