---

I am doing very well and all good with the family. Life outside the Bureau has been great (not that it was bad inside). London and NY are fine, but I do miss Florida quite a bit -- confirms that's where I want to end up. Small world though, couldn't believe Epstein showed up on the front page in the UK!

Mr. Solomon,

It is great to hear from you. I hope all is well with you and your family. Thanks for the information.

Epstein had a great **impact** on many lives....

I hope you are enjoying life outside the Bureau. If you find yourself in West Palm, don't be a stranger.

Nes

Nesbitt,

I was just catching up on news in the UK when I noticed the lead story on Sky News (<http://news.sky.com/skynews/>) which is headlined, "Queen Meets Andrew Over Paedophile Links. The Queen holds a meeting with Prince Andrew to discuss his links with convicted paedophile Jeffrey Epstein."

How's that for impact?

I hope all is well with you,

Jon
