The disk that the emails r on has to be opened on the computer that saved it to the cd. (I guess bureau security stuff) Anyways that means a trip to Miami computer room. I may be going down next week, I'll let u know! SAC at the time was [REDACTED] and ASAC was [REDACTED]

I'll ask [REDACTED] if he still has any emails from that time.

Hi [REDACTED] – Have you had any luck looking around? And can you remind me of the names of the SAC and the ASAC during the relevant period?

I think [REDACTED] was the only supervisor in WPB who would have sent an email, but remind me if there was anyone else who may have sent something.

Thanks.
