All but 2 boxes of Grand Jury records are being maintained in the Main Office. Those thirteen 13 boxes were shipped back to Miami from HQ around December 2015. All the 1B evidence is also maintained at MM HQ. I will be coming to Miami tomorrow with the 2 boxes that were stored at the PBCRA. I also hope to meet with [REDACTED] the last contact with the 13 boxes which contained all of the Epstein records. My goal is to make a decn with the Records Division as to where they wish to properly store the physical case files and associated 1A/GJ evidence. And to also let the appropriate individuals know we need to maintain all records til December 2018.

I will give you a further update tomorrow, maybe in person... 😊
