Hi [REDACTED] – That is fine with me. I am trying to get info from [REDACTED] and [REDACTED], but nothing yet. Should we get together Monday at around 10:00? I may only stay for a half-day, but that will give us at least a couple of hours together. Thanks.

Since we have not heard anything from DOJ. I would like to make the following suggestion:

We present to the Grand Jury on Tuesday, April 1, 2008, but only on [REDACTED] [REDACTED]) That will complete the victims I have already testified about as well as add three new victims. We scheduled to Indict the following week, April 8, 2008. I believe this is still outside the time frame of any of our victims being deposed. We will have only four new victims left to present plus the travel trips and the Grand

Jury will have plenty of time to review all the GJ material/evidence. At this point, I think it makes the most sense since. I have asked [REDACTED] to provide all the A/V equipment as well as for additional help to bring everything from Miami up to West Palm. As soon as I get your response and opinion, I am going to reschedule everything for a later date. I wish DOJ would have been more timely with their response but since that is out of our control and we can not Indict without their decision. I think we should go ahead, for everyones' sanity, and make some decisions that are within our control.

I will be waiting for your thoughts on the matter. Thanks!
