FYI - Theory: It is possible the PIs for the book writer(or anyone for that matter) came across a list of potential models for the MCsqd Company, and then made an inquire to FBI MM if new info re intl victims came to light, would FBI be interested? FBI makes no comment, so who else might be intersted in the list? Civil attys! Its reaching but a possibility, just b/c of the timing.

Dear Ms [REDACTED]

Hello. I would like to speak with Ms. Villefranche pertaining to the JEpstein case. I am writing a book for Random House and producing a documentary (my husband's family founded NBC television) and it pertains to child trafficking in America and those who solicit trafficked children for prostitution. I was informed that 2 of Mr Epstein's victims who were not named in the original indictment were trafficked children. Thank you for your time and attention to this matter.

Sincerely,

EFTA01657841
