We have attached the information you requested. Excluding 1B evidence items, we have approximately 8 to 10 boxes of case related documents. The 1B evidence primarily consists of evidence collected during the Palm Beach Police Department's investigation (see attached 1B_1D Evidence pdf). If you have any questions give us a call.

Thanks and have a great weekend,

Hi [REDACTED]

Do you have an index of your case file? If so, would you mind sending it to me? And can you give me an estimate of the number of boxes of documents & physical evidence you have?

Has the stuff from DC made its way back to Florida yet?

Thanks.
