Subject: Duty Agent Caller

Date: Mon, 04 Jan 2021 16:17:02 +0000

Importance: Normal

Good morning,

Mr. Michael Teitelbaum ([REDACTED]) called the office last week and this morning. He was very upset and frustrated with the FBI's "lack of investigation" with the Sheriff and Epstein, as well as voter fraud at a particular office in the county. He was asking several questions that I was incapable of answering and I believe it would be helpful to speak with him. Today he began asking me about my personal beliefs regarding this subject in a very frustrated manner.

I am cc'ing all OSTs for situational awareness as this was his second time calling the office.

I appreciate your assistance.
