Violation: Human-Trafficking

Emergency: False

Threat To Life: False

Submitted Text:

Jeffery Epstein was bringing children to the Omni to human sex trafficking them out to rich business people. If you go to 901 E Cary St Suite 210, Richmond, VA 23219 in the South State Bank on the top floor- there is a housekeeping door (I think inside the mens restroom once you enter on the right). Inside this are should be a crawl space in the ceiling, a water faucet, and a wall on the right. The wall on the right (behind the actual wall) contains a passageway with an inscription about "Gabe"- a human trafficking victim that Jeffery Epstein kept. I do not know what is behind the wall, but I remember as kids we were both brought to this area and trafficked in and out of the premises, along with other kids.
