{"description": "Jeffery Epstein was bringing children to the Omni to human sex trafficking them out to rich business people. If you go to 901 E Cary St Suite 210, Richmond, VA 23219 in the South State Bank on the top floor- there is a housekeeping door (I think inside the mens restroom once you enter on the right). Inside this area should be a crawl space in the ceiling, a water faucet, and a wall on the right. The wall on the right (behind the actual wall) contains a passageway with an inscription about 'Gabe' - a human trafficking victim that Jeffery Epstein kept. I do not know what is behind the wall, but I remember as kids we were both brought to this area and trafficked in and out of the premises, along with other kids.\n", "federalViolation": "Human-Trafficking", "violationQuestions": [{"question": "Please provide details about the specific location where the victim is being held.", "answer": "no specific location"}, {"question": "How do you know the victim?", "answer": "Unknown, in the past"}, {"question": "Who has control of the victim's identification and travel documents?", "answer": "victim"}], "people": [{"phone": {"phoneInternational": "no"}, "address": {}, "type": "complainant"}], "reportedAgency": {"phone": {"phoneInternational": "no"}}, "verifySection1001": true, "referrer": "https://www.fbi.gov/", "timestamp": "2022-08-31T14:00:17.732854", "userAgent": "Mozilla/5.0 (Macintosh; Intel Mac OS X 10_15_6) AppleWebKit/605.1.15 (KHTML, like Gecko) Version/15.6.1 Safari/605.1.15", "host": "api.fbi.gov", "ip": "2607:fb90:b301:7d7a:e807:2bc2:7e66:4d1d, 10.240.0.249, 10.240.0.126"}
