FYI,
I met with [REDACTED]
Nice guy. Very respectful.
But, he is not inclined to have me go on the search.
He doesn't see the need.
Wants to check with his ASAC and with CDC. He'll get back to me.
I'm not going to take any further steps without hearing from him.

[REDACTED]

Good morning. I know your squad is busy running and traveling for the Epstein Case. [REDACTED] has asked SFI [REDACTED] to travel with your squad to St. Thomas in furtherance of the forfeiture action. [REDACTED] has received full concurrence and approval to travel. It is my understanding that the squad is flying to St. Thomas on Sunday via the Bureau's Q400 plane. I think it would be most effective and efficient to have [REDACTED] travel with your team. Please let me know what is needed to secure [REDACTED] a seat on the Q400.

Thanks [REDACTED]
