Hey [REDACTED],

I'll send you the draft I have now. I'm sure it needs some cleaning up but I have run out of the office. I can submit it in Sentinel first thing Monday if that's alright.

Thanks!

Hey [REDACTED],

No worries at all. When you aren't flying – could you please give me a quick call? We need to get the AUSAs either drafts or notes today, so if you are able to direct us to your notes, that would be hugely helpful!

Thanks,

Hey [REDACTED],

I'm going out of town this afternoon for the weekend (poorly timed but previously arranged family obligation) but I will go in to the office in Arkansas tomorrow to finish up with any edits etc. I'll have my draft done I just need it to be reviewed and signed. If there are any edits or revisions I'll make them when I get to the office and then send it over to the AUSAs. I'll also hold off on submitting it until I get a chance to review the rosters with the employee names that you mentioned yesterday.

My flight is this afternoon but other than that I'll be available if you need to reach me.

Thanks

Awesome!

I'm going up to the Bronx so I won't be in this afternoon, but you can give me a call on my cell and I can fill you in! No rush – whenever you have a minute!

Thanks,

Hey █,

I took notes and am writing the 302. I'm out of the office now but I should be back in later today to finish it. At the latest I'll be in and have it finished tomorrow morning.

Thanks!

Hey guys!

Thanks again for your help on Monday. Quick question – is one of you writing the 302 or did OIG take notes? If it was you guys, I'll swing over with some info...

Thanks again,

█,

I know you are probably running around right now so no rush on this. Just wanted to check in to see if there were any updates on Shakir.

Additionally, I need one FBI Agent to go with SA [REDACTED] to accompany [REDACTED] while he reviews some technical components at MCC. That will be happening in the next half hour. Please advise who can handle this.

Thanks for all the help, and I'm sorry for the half information. I will send out updates to the group as I receive them.
