Hey guys!

Thanks again for your help on Monday. Quick question – is one of you writing the 302 or did OIG take notes? If it was you guys, I'll swing over with some info...

Thanks again,

Do you folks want to talk before stating [REDACTED] is referenced in the August 12 memo circulated earlier today that I can brief anyone on. [REDACTED]

Everyone conducting these next immediate interviews (SA [REDACTED], SA [REDACTED], SA [REDACTED] and OIG Agents) will be briefed by the USAO regarding the interview in the 9th floor conference room within the next half hour.

Myself and the two AUSA's are heading over now. I believe it best if everyone relocates there.

Hi everyone,

Thank you for volunteering to assist with the interviews of Bureau of Prisons personnel. Below is the list of interviews that need to be conducted today. Three will need to be served with subpoenas upon the conclusion of the interview. I will forward those subpoenas separately to those respective interview teams.

For employees currently on shift at MCC, we are working on having them come to 290 Broadway so they can be interviewed on the 9th floor interview rooms (to avoid press camped out at MCC). They will otherwise need to be interviewed at their residences. We currently only have a partial list of addresses and are waiting to see if some have called out of work today. I will forward complete information when I have it.

Interviewees #3-8 will have one OIG agent and one FBI agent. The others will have two FBI agents. Please reply all to this email and fill in a slot that you are able to fulfill. I will send out the completed list once I've received all of your replies.

Additionally, I need one FBI Agent to go with SA [REDACTED] to accompany [REDACTED] while he reviews some technical components at MCC. That will be happening in the next half hour. Please advise who can handle this.

Thanks for all the help, and I'm sorry for the half information. I will send out updates to the group as I receive them.

Sincerely,
