The only thing I'm unsure of is this car situation. There has been an issue this morning and thr lawyers and judge haven't come out yet. Hopefully they deal with the cars today and we don't have to bring them back tomorrow

Ok. If you're needed for any logistical support at the trial, hold off. If not, I'll pass your name to [REDACTED]

We may need to execute another search warrant at Epstein's residence tomorrow for digital media and computer equipment. Most of my squad is in Florida interviewing victims, can you each canvass your squads to see who would be available to assist?

Thanks,
