Hey everyone,

Thank you all for your assistance and availability today. At this time, all remaining interviewees have requested their union representatives or haven't responded with availability. We will stand down for tonight, and the case team will reach out tomorrow with any additional requests.

Thanks again,

Update: [REDACTED] A team can go over to MCC to conduct the interview there ASAP. Please advise who is available (you'll need to duck the press as much as possible).

Hi everyone,

Thank you for volunteering to assist with the interviews of Bureau of Prisons personnel. Below is the list of interviews that need to be conducted today. Three will need to be served with subpoenas upon the conclusion of the interview. I will forward those subpoenas separately to those respective interview teams.

For employees currently on shift at MCC, we are working on having them come to 290 Broadway so they can be interviewed on the 9th floor interview rooms (to avoid press camped out at MCC). They will otherwise need to be interviewed at their residences. We currently only have a partial list of addresses and are waiting to see if some have called out of work today. I will forward complete information when I have it.

Interviewees #3-8 will have one OIG agent and one FBI agent. The others will have two FBI agents. Please reply all to this email and fill in a slot that you are able to fulfill. I will send out the completed list once I've received all of your replies.

Additionally, I need one FBI Agent to go with SA [REDACTED] to accompany [REDACTED] while he reviews some technical components at MCC. That will be happening in the next half hour. Please advise who can handle this.

Thanks for all the help, and I'm sorry for the half information. I will send out updates to the group as I receive them.

Sincerely,
