Sorry to send so late, but I think I addressed every point in Starr's letter, Lefkowitz's letter, and the most recent e-mails. I don't have a printer here, so I couldn't do a good proofread, but I will do that in the morning.

Alex – I already wanted [REDACTED] about the harshness of the second sentence in paragraph 2, but he and I will soften it before it goes out.

I have attached in Word Perfect and pdf.

Good night.
