Thanks, [REDACTED] We should get together about Yarbrough soon. Maybe tomorrow early afternoon? I have a 3:30 conference call about Epstein with Miami and Starr and Lefkowitz. I will update you and Nesbitt as soon as it is done.

Happy New Year!

Hi [REDACTED]

Happy New Year! What's going on with the continuing Epstein saga?

I spoke with the Kentucky lab re: [REDACTED] and they said their report should be finished in the next couple of days. I'll let you know as soon as I get the results. Hope your holidays were enjoyable.

According to the Palm Beach Daily News, the state change of plea has been reset for March. The NY Times called our office yesterday asking for comment on specific issues (insinuating that Alex, Jeff, and I all have ulterior motives for the investigation/prosecution). The Office has not yet decided whether it wants to issue a press release or not, but I am putting together some info for them.

I did find the letter from Reiter to the victims. During our last meeting with the defense (on Monday), we offered a federal plea, and I have prepared a federal plea agreement and provided it to [REDACTED] and Alex. They have not yet heard back from defense counsel.
