Hi all – Here is the revised indictment. Can you review the entire thing paying special attention to:

1. The accuracy of the overt acts and the dates
2. Spelling/grammar, etc.
3. Making sure all of the appropriate defendants are named
4. Making sure we have sufficient overt acts alleged for each defendant and for each Jane Doe
5. Under the substantive enticement charges (Counts 5 through 18) that I have the right defendants named and that I have identified the girls who were under 16 and the girls who engaged in sexual intercourse.

I think that is it. Thank you.
