I am sending you this email with one of two pdfs attached (they were too big to send all at once). The two attachments contain lists of redacted documents the FBI FOIPA Department, RMD, would like to provide to Mr. Epstein in an attempt to comply with a long standing FOIPA request. I have also emailed you a document which has draft comments from Jason and I as to what we would still like redacted or deleted in those lists. If you have any comments or concerns as to any legal reasons why some of these documents should not be released, please get back with me as soon as possible. My office is looking for specific reasons why they should not provide the documents.

Thank-you for your assistance with this matter.
