APPEARANCE NOTICE

The attached subpoena requires the production of the records specified to a Federal Grand Jury/Trial in the Southern District of Florida.

A new provision of the Federal Rules of Evidence provides that routine business records may be admitted at trial through the declaration of a custodian, if they are provided sufficiently in advance of trial to allow an opportunity for any challenges to their authenticity. Therefore, you may be able to avoid appearing personally at the grand jury/trial at the time and place specified by completely filling out the attached Certification and Inventory and immediately returning it with the records to **Special Agent** [redacted] [redacted] FBI at the following address:

**Federal Bureau of Investigation
505 South Flagler Drive, Ste. 500
West Palm Beach, Florida 33401-5923**

Slave Trafficking Act - Child Prostitution investigation after
PBPD requested an FBI investigation.

Once the underage females arrived at the Epstein residence at 358 El Brillo Way, Palm Beach, Florida, they were taken to Epstein's bedroom where they were instructed by Epstein to remove all or most of their clothing and provide him with a massage. In some cases, as the minor provided the massage, Epstein fondled the minor either on their breasts or vagina. Epstein would on occasion introduce a vibrator/massager and used it to rub the minor's vagina. On numerous occasions, Epstein digitally penetrated the minor's vaginas. Epstein engaged in sexual intercourse with at least three underage females. At the conclusion of the sexual activity, the minors were paid cash sums ranging from \$200.00 - \$1,000.00.

Epstein sometimes provided gifts to the minors for special occasions, such as birthdays. These gifts included bra and panty sets from Victoria's Secret, vibrators, tickets to shows, books, and cash, among other things.

The extent of Epstein's wealth can only be estimated, however he does own two private jets, the largest single family home in Manhattan-New York City, NY, a ranch in New Mexico, a private Island in the U.S. Virgin Islands, as well as his house in Palm Beach, Florida.

Also named as subjects of captioned investigation are

Through the course of the FBI investigation, case agents identified over 30 minor females who provided Jeffrey Epstein with a massage at his Palm Beach residence. jets. Over the course of the two year period for which this investigation covers, Jeffrey Epstein made 127 trips in and out of the West Palm Beach Airport (PBI), using his two personal aircraft. The two aircraft Epstein owns are a Boeing 727, and a Gulfstream G-1159B. Overall, most of the flights were between West Palm Beach Airport and the New York Metropolitan area, however there were a number of flights to the U.S. Virgin Islands; Paris, France; London, UK; as well as several other U.S. and International destinations. Jeffrey Epstein was on every flight documented on the manifests, with the exception 15 regular flights and 27 repositioning/maintenance/training flights. Of the flights into and out of PBI, [redacted] was on 80 flights, [redacted] was on 80 flights, [redacted] was on 16 flights, and [redacted] was on at least eight flights, although the spelling of her name varies according to whomever wrote it down. Also present on one of the flight manifests was the name of [redacted] and a separate manifest with an individual with the name [redacted] who traveled with two body guards.

During a search of Epstein's residence, the investigating Police Department obtained several books of message pad carbon copies. According to the house manager, who was interviewed by PBRA Agents, Epstein required all phone calls to the Palm Beach residence to be documented. There were multiple carbon copy message pads obtained during the search. Of the carbon copy message pads, over 120 messages were from the victims previously mentioned. A good portion of the message pads were date and time stamped by the message taker. Of particular interest on the message pads were calls from notable celebrities and public figures such as [redacted] [redacted] indicating the social status of Jeffrey Epstein.

During the initial investigation there were several trash pulls conducted by the Palm Beach Police Department on the Epstein residence on El Brillo Way in Palm Beach. These trash pulls yielded several pieces of scratch paper, along with Jeffrey Epstein and [redacted] stationery with handwritten notes pertaining to the victims. The trash pulls started in April of 2005, and continued through September 2005. Some of the pertinent notes from the trash pulls are: [redacted]

Conclusion

The telephone analysis conducted for captioned case yielded the pattern of [redacted] calling one or more of the victims one to three days before Jeffrey Epstein was set to arrive in Palm Beach, as well as during his stay. Call activity between [redacted] and the victims significantly decreased or did not occur during the times when Epstein was known to not be in the Palm Beach area. Most of the victims interviewed by investigating Agents stated they were brought to Epstein's El Brillo Way house in Palm Beach by a friend and were introduced to a female they later identified as [redacted]. The victims further stated they gave their phone numbers to either [redacted] or Epstein himself at the conclusion of the massage/sexual activity.

b6
b7C

Another pattern which can be ascertained from the telephone analysis is [redacted] calling [redacted] the day before or day of Epstein's arrival in Palm Beach. According to interviews of the victims, [redacted] directly brought eight victims to Epstein. Of the eight victims [redacted] introduced to Epstein, ten more victims were brought to Epstein through the original eight. [redacted] has advised local investigators that she was like "Heidi Fleiss", arranging victims for Epstein. Thus, [redacted] [redacted] could have been calling [redacted] in order to line up appointments for Epstein.

[redacted] made a total of 418 calls and 15 text messages from her cell phone to the victims. The three numbers belonging to the Epstein residence combined for a total of 105 calls to the victims. Of note, the calls from the Epstein residence were calculated from the four victim's cell phone records which show incoming calls, thus there may have been more calls from the Epstein residence to the victims. [redacted] made a total

Re: 31E-MM-108062, 11/28/2007

of 46 calls, and [redacted] made seven calls to the victims.

In October 2007 a non-prosecution agreement was signed by the U.S. Attorney for the Southern District of Florida and Jeffrey Epstein's attorneys. As part of the agreement, Epstein will plead guilty to one count of solicitation of prostitution. Epstein will have to serve 18 months in state prison, one year supervised release, and lifetime registration as a convicted sex offender. Epstein is expected to appear in court in late December 2007.

The attached subpoena requires the production of the records specified to a Federal Grand Jury/Trial in the Southern District of Florida.

A new provision of the Federal Rules of Evidence provides that routine business records may be admitted at trial through the declaration of a custodian, if they are provided sufficiently in advance of trial to allow an opportunity for any challenges to their authenticity. Therefore, you may be able to avoid appearing personally at the grand jury/trial at the time and place specified by completely filling out the attached Certification and Inventory and immediately returning it with the records to **Special Agent** **FBI** at the following address:

**Federal Bureau of Investigation
