Importance: Normal

I had a voicemail yesterday from an attorney in Princeton, NJ. I returned his call this morning. His name is Tom Marr (phonetic) with the firm of Meagher, Emmanuel, Laks, Goldberg & Liao. He represents a victim/plaintiff of Epstein and is preparing to file a civil complaint against Epstein and Donald Trump in the SDNY for alleged conduct that took place there. He is requesting information about other victims or witnesses from our investigation that deal with Epstein's NY residence.

I advised him to reach out to either of you for the procedures on how to make such requests. I gave him your office numbers. His office number is [REDACTED] and cell, [REDACTED]

Thanks,
