Hi [REDACTED] and [REDACTED] – I have sent out notifications to all of the victims who are represented by attorneys. I have [REDACTED]'s original letter and her work release notification letter ready to go. I will keep it in my office, just call when you are going to stop by.

These are the girls who do not have attorneys as far as I know. I want to double check on their info before I send out the letters. Can you give me the latest info you have for them?
