Hi

I am copying our VW coordinator [REDACTED] so you have her information. I'll talk to her about what we're trying to ascertain and ask her to reach out if she's having trouble.

Thanks,  
Jill

Hello

As a courtesy, I wanted to let you know that I spoke briefly with AUSA [REDACTED] regarding the below information.

I communicated with her that the VWC with the US Attorney should be able to retrieve the identifiers, addresses and numbers.

Keeping into consideration that this is a legacy case...addresses and phone numbers may have changed.

If letters need to be mailed out to the victims...I would highly recommend running a David for an updated address.

AUSA [REDACTED] did inform me that she will share my contact information with her VWC...when I speak with her, we will confirm the names of the victims in the VNS database.

Keeping you informed.

Below is the contact info for the AUSAs that are handling the civil matter. They are looking for a compiled list of our victims and the victim's identifiers, addresses and contact numbers.

Thanks,

Jason

Good afternoon,

I am writing from the United States Attorney's Office in the Northern District of Georgia. We have been designated to handle the civil lawsuit filed by Jane Does 1 & 2 involving the underlying criminal investigation involving Jeffrey Epstein. Our understanding is that you were involved in the investigation of that matter and we wanted to get some information from you. If you can give me a call at [REDACTED] at your earliest convenience I'd appreciate it. You can also try my colleague [REDACTED] If you want to make sure you are talking to the right individuals about the case, you can verify us with [REDACTED]

Thanks,  
Jill Steinberg
