Of course I remember! Good to hear from you. [REDACTED] retired this year and is up on a farm in Georgia with her boyfriend. All is well down here. I've been at the Fort Pierce RA for the past 5 years, no complaints. Hard to believe you've been an agent for 11 years. That makes me feel really old (cause I am)!

Haven't been up to Newark for a couple of years but If I ever get up to Atlantic City I'll give you a shout.

Keep in touch,

-

Hey [REDACTED]!

Long time! Not sure if you remember, but I came down to [REDACTED] to help with the Epstein case back when I was an IA. Been an agent now for the past 11 years, first in KC, now in Newark - Atlantic City.

Anyway,

I saw our boy finally got some justice, then offed himself. O well. Saw something in the paper this morning on it and thought I'd look you up. I'm guessing [REDACTED] retired? I didn't see her name in the lookup.

Hope you are doing good down there.

Have a good one.
