Florida has a very broad Public Records Law (Florida Statute Title X, Chapter 119: Public Records). Most written communications to or from State and Local Officials and agencies regarding State or Local business are public records available to the public and media upon request. Your email communications, including your email address, may therefore be subject to public disclosure. If you do not want your e-mail address released in response to a public records request, do not send electronic mail to this entity. Instead, contact this office by phone or in writing. Think Green! Please do not print this e-mail unless necessary.
