Hi [REDACTED]

Just wanted you to see the below from one of the prosecutors in the NY USA v. Maxwell case. If the stipulation is not reached, and you are required to travel, you have been authorized by the New York USAO.

Best of luck with this. I am on leave tomorrow but will be checking my low side periodically.

Yes, our district approves providing this testimony, thank you. We are attempting to reach a stipulation with the defense such that this testimony will not be necessary, but if we are unable to reach an agreement, then it is fine for [REDACTED] to appear for testimony.

Thank you CDC [REDACTED] and the New York Team. As an update, we received a call from Defense Counsel [REDACTED] (issuer of subpoena) and it looks like they in fact will need Miami SA [REDACTED] to testify on Thursday, unless it is pushed to Friday for unforeseen circumstances. SA [REDACTED] is fine with traveling Wednesday and testifying as needed, and has no concerns as to the testimony sought from him as outlined in the [REDACTED] compliance letter. Defense will be paying for his travel/lodging/per diem.

Does SA [REDACTED] have DOJ approval from your district to provide testimony in this United States case? Please advise, and thank you for your assistance. I would like to advise the agent this afternoon if possible that he is good to go.

Respectfully,

[REDACTED]

Good morning New York,

Attached is a subpoena which was served upon our division yesterday afternoon for testimony by Miami SA [REDACTED] [REDACTED] in the USA v. Ghislaine Maxwell trial. Also attached is a Touhy letter which was emailed yesterday. While the date on the subpoena was changed to 12/16/2021, the server stated this is not the testimony date and the agent will be notified of the actual date by the defense. Copies of both have been forwarded to our agent this morning, who works in our Fort Pierce Resident Agency.

I apologize to copy so many of the NY CDC staff, but was unsure who may be in the office to handle this matter and wanted to ensure its receipt.

Please advise when the agent has received DOJ authorization to testify in this matter and if there is anything further you may need at this time.

Thank you,
