***IN RE.** Inquiry Regarding Epstein-Related Activity & Appropriate Contact*

Ms. Lara A. Pomerantz

Assistant United States Attorney, SDNY

Mr. Andrew Rohrbach

Dear Ms. Pomerantz and Mr. Rohrbach,

I am Joshua Perez, Interim Director of Operations at AtNight Private Intelligence, the investigative unit of One Worlds Media Division, a Pennsylvania 501(c)(3) nonprofit cooperative.

During an ongoing, pro-bono investigation into matters related to Jeffrey Epstein, our team has developed preliminary intelligence indicating renewed coordination among certain Epstein-linked associates. Because such activity appears to implicate the Southern District of New York, I write to confirm who at SDNY is presently responsible for evaluating Epstein-related leads.

AtNight will gladly discuss our observations under appropriate security and confidentiality controls. We are not transmitting underlying material at this time and will do so only through channels specified by the Office.

Kindly advise whether you remain the proper contacts—or, if not, direct us to the Assistant United States Attorney or unit now assigned this portfolio.

Thank you for your time and guidance. I can be reached at your convenience.

Respectfully,

JP

Joshua Perez
