Today we were tasked with reviewing 1B146, 1B136, 1B144, 1B145. Initially from 9:00 AM – 12:00PM we had 3 personnel working on the review. At approximately 12:30 PM more personnel were added from C9 and C19 as well as additional C20 totaling 15 people. A request for DCAP access was requested around this time as well as a request for the 15 people to have access to the case files in DCAP.

As of 2:50PM 3/15 people have access to the files.

At this time 1B146 is approximately 94% complete.

At this time, 3:00PM 1 folder in 1B136 is 71% complete and another folder is 35% complete.

Please let me know if you need anything further.

Respectfully,
