I am not aware of a BOP misconduct TF. I'm happy to reach out to the warden at MDC I recently met with and inquire if he's aware of one. Let me know if you'd like me to.

Do you know if the Task Force reference in this article <https://spectrumlocalnews.com/ap-top-news/2020/03/18/ap-exclusive-barr-creating-task-force-on-bop-misconduct> was ever set up. If it was do you have a POC? I reached out to DOJ but have not gotten an answer yet.

Thanks,

This was something AG Barr announced he was setting up after a gun was found in the same New York facility where Epstein committed suicide. I will reach out to NY and see if it was ever actually set up.

Thanks,

Please see below. This would have been during my ASAC time and I have no knowledge of a BOP Misconduct TF, although that doesn't mean there isn't one. Can you also track down and review the article Jay referenced.

Thank you,

[REDACTED] - can you check with PC and CR and see if they are aware of a BOP misconduct TF which was stood up back in 2019 or just before COVID in 2020? There is apparently an AG release we can find publicly, but I am unaware of any TF on this.

Thanks.
