Hey [REDACTED],

I received an email from [REDACTED], an investigator out of Saratoga, NY regarding an inmate letter about NXIVM. After speaking with [REDACTED] and reviewing the letter, I can confirm there are no references to any NXIVM victims or defendants in the letter. However, the letter does reference Ghislaine Maxwell and Jeffrey Epstein. Should we forward the letter to C20?

Good morning,

I was given you name as a contact for the NXIVM case. Our agency has received the documents through the mail from Herbert VanAken, an Inmate at Greene Correctional Facility. We wanted to pass the information along. If you have any question feel free to contact me.

Thank you!
